

CEO taking lead role in film

Canada's burgeoning film/TV industry is undergoing a rags-to-riches fairytale, and the ubiquitous Yorkton Securities CEO Scott Paterson is helping underwrite the script.

In the last year, Yorkton was the lead underwriter for issues by Alliance, Atlantis and Lions Gate Entertainment.

All that cash flow adds up to great new Canadian productions, and frequent sightings of Paterson — the unabashedly patriotic 34-year-old Bay St. boy wonder — at the hottest showbiz parties in town.

HERE, THERE AND EVERYWHERE ... Yorkton Securities CEO Scott Paterson and out-going Alliance boss Robert Lantos at Alliance's annual soiree at the ROM.

THREE HOURS LATER ... Paterson schmoozes with new Alliance Atlantis Communications CEO Michael MacMillan.

YEP, HIM AGAIN ... The same night, Scott and wife Barbara Stoneham joined Lions Gate Entertainment chairman Frank Giustra, left, at a post-screening soiree at Easy On The 5th.
